International Wheelchair Basketball Federation

Slide 2

Priorities for Development

- To increase the number of women players in Europe
- To develop Wheelchair Basketball in new countries (especially in Eastern Europe)
- To increase the number of young players playing Wheelchair Basketball.

IWBF
Europe
International
Federation

Slide 3

Youth Development - successes to date

- Malle tournament for youth - now a regular biannual event
- Annual NOWB Survey
2003 - 5.7% of men and 10% women under 22
2205 - 8.9% men and 23% women under 22
- Now regular clinics at all major tournaments eg Brno, Division B in 2006 and Wetzlar, Division A in 2007.

German TRY Out system
